Sir:

Thank you for the 10/19/2004 Office communication/action
(Paper No. 10142004). In reply to Paper No. 10142004, please
reconsider and further examine this application.

CLAIMS AMENDMENTS follow this introductory page.

Claims 1-4, 7, 8, 11, 12, 15, 17 and 20-29 are present.

Claims 1, 17 and 21 are independent, with claims 2-4, 7, 8,
11, 12 and 15 depending on claim 1, claim 20 depending on claim
17, and claims 22-29 depending on claim 21. As there are twenty
total to include three independent and zero multiply dependent
claims, and this amendment is filed before expiration of the
shortened statutory period for response, no added fee is due.

The present amendment more particularly points out and
distinctly claims the invention, and is fully supported by the
underlying specification to include drawings. No new matter is
entered hereby.

FURTHER REMARKS conclude the present paper.
